

The Cultural Preservation Program presents

O'odham History: From the Written Accounts of the Spanish

presented by

*Dale Brenneman, Pd.D., Anthony M. Chana, Ronald Geronimo, M.A.,
Jacob Serapo, and Bernard G. Siquieros*

June 30, 2016

6:00pm

Salt River Community Building

This project involved transcribing, translating, and placing all documents in historical context, and was conducted in collaboration with elders and scholars from the Tohono O'odham Nation. Historic written accounts of Spanish and Mexican missionaries, soldiers, and settlers tell about O'odham life from the first outside influences to O'odham culture.

This presentation gives the O'odham point of view gained through interviewing Elders about the stories passed from generation to generation.
